CATERING

Did You Know Buttermilk's Offers Catering Services?

We offer a full range of catering options including many options found on our regular menu.

We can cater your event in our restaurant or at a location of your choosing.

We will work with you to create a custom menu based on your budget and event needs, and not *just* the food options, we'll also help you choose the appropriate service level for your event.

For more information about our catering services, contact:
